Doctors Orders. Dry. 6.3% ABV

Orange gold colour and fruity apple aroma. Taste is musty apple, bittersweet, with hints of vinegary funk and biscuit, plus some dry tannins. Medium bodied, low carbonation, with a dry tannic finish.

Pandemic. Sweet. 6.7% ABV

Slightly unclear, medium yellow orange colour. Aroma is moderate to heavy apple, sweet apples, red apples - yellow apples, apple pie. Flavour is moderate sweet and light acidic with average to long duration.

Mr Whiteheads Real Cider with 100% fruit from the Heart of Hampshire:

Strawberry 4% ABV Medium

This starts life as a light cider of about 3% alcohol. Fresh strawberries added to the fermented drink, allowing them to infuse for a couple of weeks, before lightly pressing the rest of their juice out. The colour from the strawberries gives this special (unique) cider a light pink hue, with a medium to sweet taste.

Cirrus Minor. Medium/Sweet. 5% ABV

Made from a blend of apples including Royal Gala, Braeburn, Spartan and Lord Lambourne, giving a deeper colour and quite complex flavours.

PERRY

Midnight Special. Medium 5% ABV

A natural perry made with a blend of dessert and perry pears including Thorn, Blakeney Red, Conference & Concorde, this pear cider has a pleasant pear aroma and subtle but full-bodied taste with a deep straw colour. This is not too sweet due to the blend of varieties used. It has won several Perry awards at CAMRA festivals over the years.
